

CPP 2018 - Poster Programme

Friday 23 Feb 2018

Cardiac Evaluation

1	133	Cardiac evaluation	Impaired Endothelial Function Associated with Complicated Pregnancies Avital Porter Rabin Medical Center, Petach Tiqva, Israel
2	163	Cardiac Evaluation	Cardiac Changes with Bevacizumab, Anti-VEGF, Therapy and Similarity with Hypertensive Disorders of Pregnancy Takeshi Umazume Hokkaido University Graduate School of Medicine, Japan
3	169	Cardiac evaluation	Longitudinal Assessment of Maternal Ventricular-Arterial Coupling in Singleton and Twin Pregnancies Edoardo Sciatti University and ASST Spedali Civili, Brescia, Italy
4	227	Cardiac evaluation	Pregnancy Outcomes in Women with Cardiac Disease: Five Years' Experiences of Multidisciplinary Management According to Modified WHO Risk Score. Hana Al-Ali Uppsala University Hospital, Uppsala University, Sweden

Risk Assessment

5	102	Risk assessment	The Implications of Aortic Root Dilation and ITP in Term Parturient Sona Doshi
6	108	Risk assessment	Making Sense of Abnormal Cardiac Enzymes and Myocardial Dysfunction in Hypertensive Disorders of Pregnancy: Implications for ICU Management of Unwell Peripartum Patients Deepak Mathur
7	130	Risk assessment	Making Sense of Abnormal Cardiac Enzymes and Myocardial Dysfunction in Hypertensive Disorders of Pregnancy: Implications for ICU Management of Unwell Peripartum Patients Deepak Mathur

8	143	Risk assessment	Predicting outcomes in parturients with underlying cardiac disease: an Irish perspective Alain Fennessy The Rotunda Hospital, Ireland
9	167	Risk assessment	Assessment of the correlation between congenital heart defects and brain injury in fetuses through MRI imaging Alina Weissmann-Brenner Chaim Sheba Medical center Tel HaShomer, Israel
10	174	Risk assessment	Measuring and Improving Quality of care for pregnant women with Heart Disease L. Depla UMC Utrecht, Netherlands
11	261	Risk assessment	UH Cleveland Medical Center Maternal Clinic Experience with Pregnancy Following Anthracycline-related Cardiotoxicity Isaac Rhea University Hospitals Cleveland Medical Center, USA
12	273	Risk assessment	Maternal Cardiopathies in Pregnancy: Management and Outcomes of a Six-year Experience in an Italian Tertiary Care Center Viola Arosio Foundation MBBM, University of Milan-Bicocca, Italy
			Imaging
13	112	Imaging	Safety of Nifedipine in threatened preterm labor investigated by three-dimensional echocardiography Leonti Grin Barzilai Medical Center, Faculty of Health Sciences, Ben Gurion University of the Negev, Israel
14	151	Imaging	Echocardiography in Canine Pregnancy: Which Changes are expected? Monica Melandri
15	321	Imaging	Global Longitudinal Strain is Preserved in Pregnant Women with Advanced Maternal Age: A Speckle Tracking Echocardiography Study Lili Zhang Montefiore Medical Center / Albert Einstein College of Medicine, New York, USA

			General
16	128	General	The Burden of Cardiac Disease in Pregnancy in Western Kenya Joy Alera AMPATH, Kenya
17	181	General	Pregnancy outcomes in women with heart disease at the Colonial War Memorial Hospital, Suva, Fiji
18	203	General	Birthweight in pregnancies complicated by maternal heart disease a retrospective multicentre study Matthew Cauldwell Chelsea and Westminster Hospital, London, Great Britain
19	218	General	Heart Disease in Pregnancy: Developing a Center of Excellence Rebecca Gray Saint Lukes Hospital of Kansas City, USA
20	229	General	Trends in maternal obesity in England between April 2015 and March 2017 Gemma Govinden Sheffield Teaching Hospitals, UK
21	243	General	Novel Predictors of Gestational Diabetes Mellitus among Pregnant Saudi Women Nasser Al-Daghri King Saud University, Saudi Arabia
22	245	General	Pregnancy and Delivery Outcomes in Women with Cardiovascular Diseases Emilija Petrulionyte Vilnius University, Lithuania
23	247	General	Hypertriglyceridemia and Gestational Diabetes Mellitus Risk in Saudi Pregnant Women Nasser Al-Daghri King Saud University, Saudi Arabia
24	284	General	Contraceptive choices in maternal cardiac disease Nasim Sobhani University of California, San Francisco, USA
25	292	General	Embracing #MatExp for women with cardiac disease: preliminary experience with holistic birth plans Gemma Malin

			Nottingham University Hospitals NHS Trust, UK
26	205	General	Cardiac disease in pregnancy - Improving Awareness through Teaching Anita Banerjee Guys and St Thomas' Hospital NHS Foundation Trust, UK
27	308	General	Toxic Goitre and the Heart in Pregnancy: Balancing Maternal with Fetal Risk Kemi Tibazarwa Muhimbili National Hospital (and the Jakaya Kikwete Cardiac Institute), United Republic of Tanzania,
28	348	Pericarditis	Q Fever Pericarditis in Postpartum Woman Inna Rosenfeld Bar- Ilan University, Ziv Medical Center, Zefat, Israel
			Congenital
29	120	Congenital	Molecular mechanisms of arterial duct closure via PGE2-EP4 Yoshihiro Ishikawa Yokohama City University, Japan
30	156	Congenital	Pregnancy in Women with Corrected Aortic Coarctation: Uteroplacental Doppler Flow and Pregnancy Outcome Anne Siegmund University Medical Center Groningen, University of Groningen, Netherlands
31	180	Congenital	Most Women with Successful Repair Congenital Heart Disease can have a Successful Pregnancy Sonila Bele Tirana University Obstetric & Gynaecologic Hospital "Queen Geraldine", Albania
32	189	Congenital	A single center series of GUCH pregnancies: Maternal and fetal outcomes. Gelsomina Del Sordo Università Cattolica del Sacro Cuore, Policlinico Gemelli, Italy
33	200	Congenital	Pregnancy in Women with Cyanotic Congenital Heart Disease Fernando Baraona Pontificia Universidad Catolica de Chile, Instituto Nacional del Torax, Chile
34	213	Congenital	Persistent Significant Left Atrioventricular Valve Regurgitation after Second Delivery in a Patient with

			Repaired Atrioventricular Septal Defect Masahiro Nakao Sakakibara Heart Institute, Japan
35	216	Congenital	Fetal Growth Patterns in Women with Maternal Congenital Heart Disease Karen Florio Saint Lukes Hospital of Kansas City, University of Missouri-Kansas City, USA
36	235	Congenital	Successful Management of Severe Prosthetic Aortic Valve Stenosis Found in Early Pregnancy Ryoko Ono Sakakibara Heart Institute, Japan
37	236	Congenital	A Double Whammy: Management of a Mechanical Prosthesis and Severe Pulmonary Hypertension During Pregnancy Joan Briller University of Illinois at Chicago, USA
38	244	Congenital	Ebstein's Anomaly In Pregnancy Kestutis Rimaitis Lithuania
39	255	Congenital	Maternal Right Ventricular Function, Uteroplacental Circulation in Early Pregnancy, and Outcome in Women with Congenital Heart Disease Anne Siegmund University Medical Center Groningen, University of Groningen, Netherlands
40	270	Congenital	Pulmonary Arteriovenous Malformation in Pregnancy: A Case Report Cecilia Gobbi Fondazione IRCCS Ca' Granda Ospedale Maggiore Policlinico, University of Milan, Italy
41	271	Congenital	Obstetric and Perinatal Outcome in Women with Congenital Heart Disease Anniek Hoek Academic medical centre Amsterdam, Netherlands
42	277	Congenital	Magnesium Orotate for the Treatment of Pregnant Patients with Unoperated Atrial or Ventricular Septal Defect Ilshat Gaisin Izhevsk State Medical Academy, Russia

43	278	Congenital	Coxsackievirus infection during the first trimester of pregnancy leads to ventricular septal defect Vipul Sharma Washington University in St. Louis, USA
44	288	Congenital	Gasometric Study - Maternal & Fetal - in a Cyanotic Cardiopathy Felipe Favorette Campanharo UNIFESP - Federal University of São Paulo, Brazil
45	135	Congenital	A rare case of co-occurrence neurofibromatosis type 1, hypertrophic cardiomyopathy, quadricuspid aortic valve and hypertension due to left renal artery stenosis in pregnant woman. Anna Kania Medical University of Lublin, Poland
46	328	Fetal	Fetal Echocardiographic Findings and their association with karyotype and postnatal outcome in surrogate motherhood pregnancies Ioannis Giakoumakis Mediterranean Fertility Institute, Crete, Greece
47	329	Congenital	Risk Stratification Using Plasma Brain Natriuretic Peptide for Maternal Cardiovascular Events during Peripartum Period in Japanese Women with Congenital Heart Disease Nao Konagai National Cerebral and Cardiovascular Center, Japan
48	340	Congenital	The impact of pregnancy on aortic root in women with repaired conotruncal anomalies Chinami Horiuchi National Cerebral and Cardiovascular Center, Japan
49	341	Congenital	Two successful pregnancies in a woman after ventricular septation for single ventricle: A case report Tomomi Nishimura Tokyo Women's Medical University, Japan
50	343	Congenital	Pregnancy in a Patient with Severe Stenosis of a Bioprosthetic Tricuspid Valve Nejc Pavsic University Medical Center Ljubljana, Slovenia
51	345	Congenital	Maternal and obstetrical outcomes in simple and moderate/complex congenital heart disease Hayley Schultz

			University of California, San Francisco, USA
52	355	Congenital	Maternal Outcomes in Women With Congenital Heart Disease in Comparison to Non-congenital Heart Disease Complicating Pregnancies Ahmed Kheiwa University of California San Francisco, USA
53	356	Congenital	Development of a Core Outcome Set for Studies on Pregnant Women With Cardiac Disease Rohan D'Souza Mount Sinai Hospital, University of Toronto, Canada
54	362	Congenital	Pregnancy and management in patients long after Double Switch Operation for congenitally corrected transposition of the great arteries Tokuko Shinohara Tokyo Women's Medical University, Japan
55	372	Pulmonary Embolism	Policystic ovary syndrome - a cause of pulmonary embolism? Otilia Tica Faculty of Medicine and Pharmacy; Emergency County Clinical Hospital of Oradea, Romania
56	373	Pulmonary Embolism	Pulmonary embolism in young female population Otilia Tica Faculty of Medicine and Pharmacy; Emergency County Clinical Hospital of Oradea, Romania
57	375	Fetal	Primary experiences of fetal pulmonary valvuloplasty in China Chengbin Zhou Guangdong Cardiovascular Institute, Guangdong General Hospital, China
			Pulmonary Hypertension and Emboli
58	149	Pulmonary hypertension	Pregnancy and Pulmonary Arterial Hypertension: A Multidisciplinary Approach to Management via a Joint MFM-Cardiology Program Saila Moni Albert Einstein College of Medicine/Montefiore Medical Center, New York, USA
59	182	Pulmonary hypertension	Outcome of pulmonary Hypertension in pregnancy: Experience from resource limited setting in a university hospital in northern Ethiopia

			Abraha Weldegerima <i>Mekelle university college of health sciences, Ethiopia</i>
60	226	Pulmonary hypertension	Pregnancy in pulmonary arterial hypertension Magdalena Kaznica-Wiatr John Paul II Hospital, Institute of Cardiology, Faculty of Medicine, Jagiellonian University Medical College, Poland
61	263	Pulmonary hypertension	Follow-up after pregnancy in pulmonary arterial hypertension. Magdalena Kaznica-Wiatr John Paul II Hospital, Institute of Cardiology, Faculty of Medicine, Jagiellonian University Medical College, Poland
62	286	Amniotic fluid emboli	Amniotic fluid embolism - a life threatening complication of pregnancy Tal Cahan Sheba Medical Center, Tel Aviv University, Tel Hashomer, Israe
63	306	Pulmonary hypertension	Cor pulmonale secondary to pulmonary tuberculosis in pregnancy: A report of two cases Pamela Grace Valera Philippine General Hospital, Philippines
			Vascular
64	140	Vascular	Aortopathy and Pregnancy Dominica Zentner Royal Melbourne Hospital, Australia
65	157	Vascular	Third Trimester Type B Aortic Dissection in a Woman with Marfan Syndrome Line Leduc Sainte-Justine Hospital / University of Montreal, Canada
66	148	Vascular	Acute Aortic Dissection During Cesarean Section In Young Women With Hypertensive Gestosis: Case Report Aziza Baya Algeria
67	170	Vascular	Successful Pregnancy After Maternal Near Miss in a Marfan Patient Felipe Favorette Campanharo

			UNIFESP - Federal University of São Paulo, Brazil
68	210	Vascular	Anesthesia in Parturient Suffering from Marfan's Syndrome associated Aortic Root Dilatation Jacob Weinstein Haim Sheba Medical Center, Tel Hashomer, Israel
69	223	Vascular	Long-term Cardiovascular Outcomes Among Women with Marfan Syndrome After Pregnancy Kristina Kernell Linköping University, Sweden
70	228	Vascular	Pregnancy and Birth in a Multiparous woman with Marfan Syndrome with Aortic Root Dilatation and an Exostent in situ: A Case Report Imran Ahmed University Hospital Southampton NHS Foundation Trust, UK
71	297	Vascular	Third Trimester Type B Aortic Dissection in a Woman with Marfan Syndrome Line Leduc Sainte-Justine University Hospital, Montreal, Canada

			Saturday 24 Feb 2018
			Cardiac surgery
72	172	Cardiac surgery	Bentall procedure (graft replacement of the aortic valve and ascending aorta) during pregnancy in a patient with Turner syndrome. A Case Report Anne Kirss Tartu University Hospital, Estonia
73	239	Cardiac surgery	Perioperative prophylaxis of obstetric and perinatal complications in pregnancy required the urgent open-heart surgery Iuliia Davydova National Academy of Medical Sciences of Ukraine, Ukraine

			Valvular
74	127	Valvular	Acute Heart Failure In A Preterm Pregnant With Infective Endocarditis Maria Jhessica Pecson Fellow on training, Philippines
75	144	Valvular	Biological Versus Mechanical Heart Valve Prosthesis During Pregnancy In Women With Congenital Heart Disease Heleen Lameijer University Medical Center Groningen, Netherlands
76	214	Valvular	Worsening of mitral stenosis (MS) in pregnancy: pharmacological therapy or valvuloplasty? Chiara Macchi A.O.U. Città della Salute e della Scienza - S. Anna Hospital - SC 2U, Italy
77	257	Valvular	Cardiac, Obstetric and Neonatal Outcomes in Women with Bioprosthetic Heart Valves Delivering at a Tertiary Cardiac Centre Frances Hills Nottingham University Hospitals NHS Trust, Nottingham, UK
78	287	Valvular	Premature delivery for decompensation in an aortic prosthetic valve Jonathan Windram Mazankowski Heart Institute, University of Alberta, Canada
79	337	Valvular	Treatment of left atrium rupture after mitral balloon valvuloplasty in 17 week pregnant patient Mustafa Akbulut Kartal Kosuyolu Research and Training Hospital, Turkey
80	357	Valvular	Determining the Optimal Anticoagulant for Pregnant Women With Mechanical Heart Valves: A Clinical Decision Analysis Rohan D'Souza Mount Sinai Hospital, University of Toronto, Canada
81	367	Valvular	Anticoagulation in pregnancy with prosthetic heart valve: patients profile and outcomes in Clinica Obstetrica HC-FMUSP, Brazil

			Mariana Vieira HC-FMUSP, Brazil
			Peripartum Cadiomyopathy
82	104	PPCM	An Unusual Presentation of Peripartum Cardiomyopathy Steven Zeichner <i>University of Colorado School of Medicine, USA</i>
83	117	PPCM	Psychological Adaptation After Peripartum Cardiomyopathy: A Qualitative Study Mie Gaarskjaer de Wolff
84	159	PPCM	Maternal deaths relate to Peripartum Cardiomyopathy in the state of Ceará-Brazil from 2006 to 2016 Regina Carvalho <i>State University of Ceará, Brazil</i>
85	217	PPCM	Misdiagnosed Peripartum Cardiomyopathy in Preeclampsia and Diamniotic Dichorionic Twin Pregnancy: a Case Report Antonella De Virgilio <i>UOC Ginecologia e Ostetrica Ospedale Ca' Foncello, Italy</i>
86	220	PPCM	Right Ventricular Systolic Dysfunction is Associated with Lack of Left Ventricular Functional Recovery in Peripartum Cardiomyopathy Evin Yucel <i>Massachusetts General Hospital, Boston, USA</i>
87	237	PPCM	Correlation of LV Characteristic and Fuctional Status at Admission with Left Ventricular Function Recovery in PPCM patients in Tangerang General Hospital Indonesia : a Single Centre Experience Dian Yaniarti Hasanah <i>Tangerang Hospital, Indonesia</i>
88	241	PPCM	Baseline Right Ventricle Function and Left Ventricle Recovery of Peripartum Cardiomyopathy in Tangerang General Hospital Indonesia Ina Nadia Irawadi <i>Universitas Indonesia, Tangerang General Hospital, Indonesia</i>

89	264	PPCM	Improvement of Left Ventricular Function Following Bromocriptine Therapy in PPCM: Tangerang General Hospital PPCM Registry Dwita Rian Desandri Universitas Indonesia, Indonesia
90	268	PPCM	Bromocriptine Role in Peripartum Cardiomyopathy: A Systematic Review Nalagafiar Puratmaja Pasar Minggu General Hospital, Indonesia
91	275	PPCM	Acute liver failure as a mimicker of Peri-partum Cardiomyopathy: a case report Erinjit Toor University of Alberta, Canada
92	326	PPCM	Peripartum Cardiomyopathy at an Urban Tertiary Care Center: A Retrospective Study of Maternal and Fetal Outcomes from 1999-2015 Anna Bortnick Montefiore Medical Center/Albert Einstein College of Medicine, New York, USA
93	335	PPCM	Heart Can Recover: Case Series of Peripartum Cardiomyopathy Mohamed Khayata University Hospitals Cleveland Medical Center/Case Western Reserve University School of Medicine, Cleveland, USA
94	338	PPCM	Subsequent Pregnancies in Japanese Women with a Prior History of Peripartum Cardiomyopathy Chizuko Kamiya National Cerebral and Cardiovascular Center, Japan
			Cardiomyopathy and Heart Failure
95	129	Cardiomyopathy	Cardiomyopathy In Pregnancy: Addressing The Challenge Of Early Diagnosis Rachel Farr Ulster Hospital, UK
96	126	HF, Congenital	ECMO Use During Termination of Pregnancy in a Patient with Eisenmenger Syndrome due to an Uncorrected VSD a Case Report Marie-Louise Meng

			<i>Columbia University Medical Center, USA</i>
97	219	Cardiomyopathy	Development of echocardiographic parameters in patients with peripartum, inflammatory and dilated cardiomyopathy. Jan Krejci St. Anne's University Hospital Brno, Czech Republic
98	266	Cardiomyopathy	Maternal and obstetrical outcomes with cardiomyopathy in pregnancy Nasim Sobhani University of California, San Francisco, USA
99	279	Heart Failure	An interesting case of systolic heart failure associated with severe pre-term pre-eclampsia and HELLP syndrome Simran Sharma University Hospital of Wales, UK
100	290	Cardiomyopathy	Post Partum Hypocinetic Dilatative Cardiomyopathy in Patient with Left Branch Block: a Case Report Antonella De Virgilio UOC Ginecologia e Ostetricia Ospedale Ca' Foncello Treviso, Italy
101	317	Cardiomyopathy	Management of an acute peripartum decompensation of a young pregnant with coincidence of a thyroid carcinoma plus autoimmune thyroiditis Elena Langer University of Leipzig, Germany
102	327	Cardiomyopathy	The Course and Outcome of Twin Pregnancy in a Patient with Decompensated Dilated Cardiomyopathy - a Case Report <u>Gauri Bapayeva</u> National Research Center of Mother and Child Health, University Medical Center, Astana, Kazakhstan
103	351	Cardiomyopathy	Experience In Hypertrophic Cardiomyopathy In A Single Tertiary Center Laura Galian Gay Hospital Universitari Vall d'Hebron, Spain
			Labour management
104	142	Labour	Intraoperative Hypotention and Bradycardia due to Intravenous Oxytocin Administration in Women Undergoing

		management	Cesarean Section under Regional Anesthesia: A Prospective Comparative Study Efim Shifman Vladimirskii Moscow Regional Research and Clinical Institute, Russia
105	158	Labour management	Who saved her? Uterine rupture of delayed diagnosis, a case report Dahye Ju Gangneung Asan Hospital, South Korea
106	165	Labour management	A retrospective analysis of quality assurance after spontaneous vaginal delivery vs. cesarean section at a community hospital. Dmitri Chamchad Lankenau Institute of Medical Research, USA
107	201	Labour management	Possibilities of Non-invasive Monitoring of Central Hemodynamic Indicators In Obese Parturients. Efim Shifman The State Budgetary Healthcare Institution of Moscow Area «Moscow's regional research clinical institute n.a. M.F. Vladimirskiy», Russia
108	327	Labour management	Connection of Central Hemodynamics Indicators and Intra-abdominal Hypertension in Obese Parturients Efim Shifman The State Budgetary Healthcare Institution of Moscow Area «Moscow's regional research clinical institute n.a. M.F. Vladimirskiy», Russia
109	298	Labour management	Delivery Route in Cardiac Patients - Using Robson's Classification System to Monitor and Improve Obstetrical Practice Tamires M Franca UNIFESP - Federal University of São Paulo, Brazil
			Hypertension and Preeclampsia
110	161	Hypertension	Hypertensive Disorders In Pregnancy: Maternal Complications And Perinatal Outcome Svitlana Posokhova Ukraine
111	194	Preeclampsia	Molecular and Functional Long-Term Effects of Preeclampsia on the Cardiovascular System Assessed on a mouse model of severe preeclampsia

			Rajaa Aouache Institut Cochin, France
112	195	Hypertension	Maternal Body Composition in Overweight Non-Obese Women who Underwent Myo-Inositol Supplementation to Prevent Gestational Diabetes: a Randomized Placebo-Controlled Trial. Salvatore Giovanni Vitale University of Messina, Italy
113	246	Preeclampsia	Acute pulmonary edema in preeclampsia which may be confusing with peripartum cardiomyopathy Hironobu Hyodo Tokyo Metropolitan Bokutoh Hospital, Japan
114	309	Hypertension	A Systematic Review of Lifestyle Interventions to Decrease Blood Pressure in Postpartum Women Nadia Jafar University of California, San Francisco, USA
			Coronary Artery Disease
115	110	Acute MI	Acute Postpartum Spontaneous Pan-Coronary Arteries Dissection: A Successful Coronary Bypass Grafting Story! Muhanad Al-Zubaidi
116	138	Acute MI	Not All Peripartum Cardiac Dysfunction is Peripartum Cardiomyopathy: Case Report of a Peripartum Non-ST Elevation Myocardial Infarction Presenting with Cardiac Systolic Dysfunction Rachael Baird Cleveland Clinic Foundation, USA
117	146	Acute MI	Ischaemic Heart Disease During Pregnancy Or Postpartum: Systematic Review And Case Series Heleen Lameijer University Medical Center Groningen, Netherlands
118	253	Acute MI	Type 2 Diabetes and Ischaemic Heart Disease Joann Hale Wessex Fetal Medicine Unit, UK
119	376	CAD	Pathology of the coronary arteries in pregnancy Carles Muntaner

			Hospital of Bellvitge, Spain
			Arrhythmias
120	114	Arrhythmias	Hemodynamically unstable paroxysmal wide QRS complex tachycardia during labor Anna Kania Medical University of Lublin, Poland
121	215	Arrhythmias	Fetal Growth Patterns in Women with Maternal Arrhythmias Karen Florio Saint Lukes Hospital of Kansas City, University of Missouri-Kansas City, USA
122	272	Arrhythmias	Outcomes and Management of Arrhythmogenic Right Ventricular Cardiomyopathy in Pregnancy: A Case Report Marco Schiavone Fondazione IRCCS Ca' Granda Ospedale Maggiore Policlinico, University of Milan, Italy
123	302	Arrhythmias	Cardio Version in Pregnancy Mahnaz Akunjee Surrey and Sussex NHS Healthcare Trust, UK
124	322	Arrhythmias	Long QT Syndrome in Pregnancy Linda Njoroge Case Western Reserve University, Harrington Heart and Vascular Institute. University Hospitals Cleveland Medical Center, USA
			Medications
125	222	Medications	Lethal Cardiovascular and Pulmonary Sequelae of Valsartan Fetotoxicity: A Case Report Ngoc-Chi Tu University of Bonn Medical School, Germany
126	256	Medications	Unplanned pregnancy on a novel oral anticoagulant (NOAC) Ineke van Herwijnen Princess Anne Hospital, UK

127	276	Medications	Aspirin Desensitization in Pregnant Women Post Bio-Resorbable Vascular Scaffolds (Absorb) Implantation: A Case Report Mattia Squillace Fondazione IRCCS Ca' Granda Ospedale Maggiore Policlinico, University of Milan, Italy
128	293	Medications	Clinical Characteristics of Women with Heart Disease Treated with Betablockers During Pregnancy Raquel Prieto Gregorio Marañon University Hospital, Spain
129	331	Medications	Influence of Maternal Beta Blockers on Fetal and Neonatal Heart Rate Jacky Nizard Hôpital Pitié Salpêtrière, Paris, France
130	353	Medications	The distinct impact of hemodynamics and beta-blocker drugs on pregnancy outcome Nicolo' Montali A.O.U. Città della Salute e della Scienza - CTO Hospital, Italy
